Michael Brewer, songwriter

Half of famed folk-rock duo Brewer & Shipley, who now lives in the Ozark hamlet of Powersite, MO.

He sang his anti-Branson sprawl song "I Hate Country" for us while stuck in traffic on 76 Country Boulevard.

That's also when we learned about the toads. The stuffed toads in various costumes (Toadula, Marilyn Montoad, etc.) that his sister sends him every year. Dead already, she swears!

Being a songwriter, Michael whipped up a tune about them that we included in a later show.

Disgustingly funny stuff from a very talented guy.

(And yes, those "One Toke Over the Line" royalty checks are still coming in.)
