Hard Day's Nite Bed and Breakfast

Now here's a Bed & Breakfast for the real Beatle Fan... Before the Fab 4 hit it big in '63, George Harrison crashed for a few nights in his sister Louise Harrison's home in Benton. He sat in with a local band at a club, and the town's radio station played a Beatles record for the very first time in America. The house now has a John, Paul, George & Ringo Room for vistors, and some mop-top memorabilia sprinkled around to add to the fun.
